

*One Auction + One Purpose = Two Schools*

Dear Tanglewood Family and Friends,

I am so very sorry for the struggles so many are currently facing. The ways in which Covid-19 has impacted not only our Tanglewood community, but also our world is heartbreaking. I strongly believe that now is a time to focus on how we can stay healthy, how we can help our neighbors, and how we can use this situation to grow compassion within our children.

At this time the decision has been made to postpone the auction. We will continue to monitor and are hopeful that we will be able to hold the online auction at a later date. This is not what any of us had planned and we are so very sorry for any inconveniences this may cause. The decision was not made lightly, but ultimately could not be avoided.

Thank you for your dedication, thank you for being involved, and thank you for always supporting Tanglewood. I truly am amazed at the way our community holds tight to what matters and stands strong together.

Thank you to Sasha Isbell, Traci Richards, and the auction committee. You have put so much time and effort into the auction and I am so appreciative for all you have done!

We are hopeful that in the next couple months our lives will begin to normalize, and we will be able to support and celebrate our school, our children, our community, and our friends.
